GitHub: <https://github.com/SarabjeetSingh1508>

Profile

Computer science student with a strong interest in data analysis and visualization. Experienced in working with datasets using Python and Excel to extract insights and build dashboards.

Skills

- 1 Languages: Python, SQL, JavaScript
- 2 Libraries & Tools: Pandas, NumPy, Matplotlib, Seaborn, Excel, Google Sheets, Git, GitHub
- 3 Concepts: Exploratory Data Analysis, Data Cleaning, Visualization, Basic Machine Learning

Projects

Data Analysis Dashboard (Spreadsheet)

- 1 Built interactive dashboard using Excel/Google Sheets
- 2 Performed data cleaning and transformation
- 3 Used pivot tables and charts for insights
